

## Routing

### Coming from Namur or Brussels :

- On A 411, Brussels - Namur : exit **n°9 Corroy-le-Grand**
- Then take direction RN 25 **Charleroi-Nivelles**
- On the RN25 : exit **Court-Saint-Etienne/Mont-Saint-Guibert**, just after **km 27**. Be careful, there are several exits Court-St-Etienne and several exits Mont-St-Guibert, but only one covers both names.
- At the bottom of the exit, take left direction Mont-Saint-Guibert / Beaurieux (you are going under RN 25 you just left)
- After the speed reducers, take right (just after a newspaper shop) direction eaurieux, Clos de l'Orme, Mellery
- After another speed reducer, at the "Y" take right direction Mellery. The street is called Vital Casse , and there again you have numbers of sped reducers with flowers in it.
- On top of this street, straight on through the wood, coming to a round-about with trees in the middle of the fields
- At the round-about, straight on, passing in front of big radio antenna
- You are going through little hamlet called Haute-Heuval, there you go straight on and you are at 1900m from Mellery
- You are entering Mellery through rue Adjudant Kumps, we are at n°19, on your right, before going down towards the church.

### Coming from Mons or Paris or Brussels – Tournai - Lille :

- On the A 42, Brussels - Charleroi - Mons- Paris: exit **n° 19 Nivelles SUD**
- Take direction **Wavre, on your right**
- After several round-about, take direction **RN25 Wavre - Brussels**
- On the RN25 : exit **Court-Saint-Etienne/Mont-Saint-Guibert**, just after **km 28**. Be careful, there are several exits Court-St-Etienne and several exits Mont-St-Guibert, but only one covers both names.
- At the bottom of the exit, take right direction Mont-Saint-Guibert / Beaurieux (you are going under RN 25 you just left)
- After the speed reducers, take right (just after a newspaper shop) direction eaurieux, Clos de l'Orme, Mellery
- After another speed reducer, at the "Y" take right direction Mellery. The street is called Vital Casse , and there again you have numbers of sped reducers with flowers in it.
- On top of this street, straight on through the wood, coming to a round-about with trees in the middle of the fields
- At the round-about, straight on, passing in front of big radio antenna
- You are going through little hamlet called Haute-Heuval, there you go straight on and you are at 1900m from Mellery
- You are entering Mellery through rue Adjudant Kumps, we are at n°19, on your right, before going down towards the church.
